Subject: Two documents with info about cultural surveys at the proposed Dewey-Burdock site
Attachments: FinalPAAAppendixML14066A350.pdf; SummaryReportTribalSurveyML13343A142.pdf

Hi Sara,
Thanks for participating in the web conference yesterday.

Attached are two documents associated with NRC's Programmatic Agreement for the Dewey-Burdock site. These documents are located on the NRC website for the PA:
<http://www.nrc.gov/info-finder/materials/uranium/licensed-facilities/dewey-burdock/section-106-project-docs.html>

The document "FinalPAAAppendixML14066A350" contains:
Appendix A – Federal Actions, Undertaking, and Area of Potential Effects
Appendix B – Cultural Resource Identification and Consultation Efforts
Appendix C – Reporting Criteria for the Monitoring Plan
Appendix D – Treatment of Human Remains on State, Private, and BLM Land

Table 1:0 NRC Determinations of Eligibility and Impact Analysis for Previously Recorded Archaeological Sites and Tribal Sites – Dewey-Burdock Project and
Table 2:0 NRC Determination of Potential Adverse Effect Analysis for Previously Recorded Archaeological Sites and Tribal Sites – Dewey-Burdock Project
are in Appendix B and contain lists of the sites identified.

If you open the comments section of the pdf file, it shows where I have inserted comments in areas of interest to make it easier to get to those sections of the document. You just click on the comment & it takes you to that location.

Under the Reference section for Appendix B, there is a reference to the Level III cultural resources evaluation. If you are interested in looking at those, if you copy the NRC accession # (e.g. ML100670302) and paste it into Google and type "NRC" in front of the number, Google has been pretty good about finding the links to those documents on NRC's website.

The second document is the summary of the Tribal Survey. I haven't inserted any comment into this document.

If you would like to look at additional documents, please let me know & I will see if I can get them.

I appreciate your interest!

Valois
